Expert Technology Recruitment in the UK and Benelux At Ottey Sourcing, we take pride in our specialisation in key sectors within the Technology industry across the UK and Benelux regions. With our in-depth knowledge and comprehensive recruitment solutions, we cater to the unique needs of both clients and candidates in the software, cloud, infrastructure, data, and cybersecurity domains. Our experience in Technology recruitment has provided us with valuable insights into the industry's technical skills, trends, and challenges, making us the recruitment agency of choice for top talent and ideal roles. Why Ottey Sourcing? At Ottey Sourcing, we prioritize a human, personable touch in our recruitment process. We believe in building strong relationships with our clients and candidates, ensuring that you are more than just a number to us.

Honesty and trustworthiness form the foundation of our operations. We prioritize

open communication, transparency, and building long-term relationships with our clients and candidates.

We recognize that each candidate and client is unique. That's why we tailor our recruitment process to precisely match your requirements. We go above and beyond to find the right fit for both parties.

Unlike a typical recruitment agency, we see ourselves as a recruitment consultancy and partner. From the initial stages to the final placements, we stand with you throughout your recruitment journey.

Our deep understanding of the technology job market empowers us to provide knowledgeable guidance and support to both clients and candidates. With a track record of success, we confidently assist in finding the best match for your needs.

If you are a Technology-focused client or candidate that is looking for a professional, personable recruitment partner that combines deep industry knowledge, a thorough understanding of needs and motivations, and a commitment to honesty and trustworthiness – then please contact Ottey Sourcing.
